Professional Networkers has a 20-member staff that is here to support your success. Nepal is an emerging market. Emerging markets are where 4Life® doesn't have an office. 4Life doesn't ship directly to emerging markets. Professional Networkers will ship products to its distributors or prospects in emerging markets. Professional Networkers has helped distributors open several markets and look forward to helping open Nepal.

How to Enroll:

Step1: Go to

www.diamondsr4life.com/YOUR_ENROLLER'S_ID_HERE.html

Step 2: Click the 'Join' tab

Step 3: Click on your Country Flag

Step 4: Follow the steps listed.

Step 5: WhatsApp Patricia to let her know you submitted your application to Professional Networkers to assure it gets processed ASAP.

How to Order:

Step 1 EMAIL YOUR ORDER TO PROFESSIONAL NETWORKERS.

All orders processed through Professional Networkers (PN) for Nepal should be emailed to nepal@professionalnetworkers.com and CC lauren@professionalnetworkers.com. Since emails sometimes are not delivered, please WhatsApp our General Manager, Patricia (1-620-474-6000), to let her know you have sent an email. She will confirm if we have received the email or not.

All orders must be for a single 4Life ID number because 4Life will not allow us to transfer LP from a larger bulk order into smaller single orders for several 4Life IDs. Payment for several orders can be combined and sent in one wire transfer to reduce the cost of wiring the funds.

Step 2 PROFESSIONAL NETWORKERS WILL REPLY TO YOUR EMAIL AND LET YOU KNOW THE TOTAL COST OF YOUR ORDER AND YOUR OPTIONS FOR TRANSFER.

YOUR PRODUCT(S) TOTAL* + SHIPPING & HANDLING + USA TAX = YOUR GRAND TOTAL

*The product prices in the USA are generally less than in international markets because there are customs charges and money exchange rates that make the products more expensive in international markets. This will assist the Nepal distributors when we must add two shipping charges and tax from within the USA. (Products are shipped from Utah to Kansas and then from Kansas to Nepal.) The total cost of products still should be less than what a person can purchase in India or Malaysia for comparison.

Step 3 YOU WILL TRANSFER THE FUNDS TO PROFESSIONAL NETWORKERS FOR THE ORDER.

Professional Networkers accepts:      BANK TO BANK WIRE

Step 4 PROFESSIONAL NETWORKERS WILL FINALIZE YOUR PRODUCT ORDER FOR YOU.

Step 5 PROFESSIONAL NETWORKERS WILL SHIP THE PRODUCT TO YOU.

*Once the products get to your customs offices, Professional Networkers is no longer responsible for the products. You are responsible for paying any customs charges.

Step 6 ENJOY YOUR 4LIFE PRODUCTS!
